## Additional Equipment & Features:

- Advanced Performance Modification Group Package (APMG) Upgrade – SB-420-55-001 Rev. G – Increased Performance Package
- Forward Baggage Weight Capacity Increase – SB-420-52-002 Rev. C
- Garmin Software 73.20 – SB-420-42-010 Rev. C

## Interior:

Passenger Seating Maximum Occupancy:

- Single Pilot: Six (6) Passengers (1 Passenger in Cockpit + 5 Passengers in Cabin)
- Two Pilot: Five (5) Passengers (5 Passengers in Cabin)

### *Configuration & Seating:*

This HondaJet APMG features a 5-passenger executive cabin, aft lavatory, and nose and tail cone baggage compartments. Passenger seating maximum occupancy may be increased from five (5) to six (6) with a passenger seated in the cockpit during Single Pilot operations. The cabin is configured with a 4-place club and forward belted side-facing seat. All four (4) single seats are the upgraded “Executive Seat” featuring seat base tracking. Additional installed upgrades include the lefthand and righthand forward cabinets with carbon fiber cabinet faces, electric pleated window shades, left and right stowable executive tables, personal storage compartments, three (3) 110V/60Hz AC universal outlets, seven (7) life vests, and metallic trim with illuminated logos.

### *Interior Finishes:*

The interior features the “Parchment” Interior Scheme with a soft beige base and light tan accents, brushed silver metal accents, maple-colored trim, and light tan carpet. The crew seats feature upgraded leather upholstery.

### *Lavatory: Aft*

The aft lavatory is equipped with an upgraded externally serviced toilet, vanity cabinet with sink and touch-free faucet, over-the-sink lighting, and a solid aft cabin door.

### *Baggage Compartment:*

The nose and tail cone baggage compartments offer a combined 66 cu. ft. of baggage capacity.

## Exterior:

The exterior is painted in two-tone “Snow White” and “Classic Blue Pearl” with “Titanium Silver Pearl” striping.
